Assessment Text: June and the Cone

Skill: Silent E

June and the Cone

June and Pop get in line
at the snack truck.

June gets her cone.
She licks it.
Then, she takes a bite.

June wipes at the spot
on her nose.
Her cone drips and drips. 3

The cone is a huge mess!
It is on June's face,
her hands, and her dress.

Who is this assessment for?

Ensure that you have done a phonic decoding (word reading assessment) prior to this assessment. Give this assessment to children who *can already* decode CVCe words in isolation. This assessment is only useful if the child has the underlying phonics knowledge.

Introduce the text.

"Today, you'll read a book. You try to read the title. Yes, this book is called *June and the Cone*. In this book, June gets an ice cream cone, but it turns into a bit of a problem. Let's read to find out what happens."

As the child reads aloud, listen and record notes (words the child misread, attempted, or self corrected).

Note: Underlined words are irregular high frequency words. If the child does not know the word, you may choose to tell the word to the child.

"This word is was. Watch me read it: /w/ /u/ /z/, was."
